EMPANELMENT OF AGENCIES FOR LANDSCAPING, GARDENING AND ITS MAINTENANCE

Ref. No. 535/2019 Dated : 28/05/2019

Date: 06/06/2019

Sl. No.	Reference Section	Clause No.	Queries	Response
1.	Eligible Applicants	Clause No.2.1.1 Page No.5	<p>No Consortium or Joint Venture is allowed to participate in the Empanelment Process</p> <p>Clarification Sought Sir, for the sake of attaining complete competency in the matters, it is very much essential that we have a JV with Nursery for the availability of good plants, soil science know-how, water and environmental issues. We also need support from Design firms for aesthetic planning of trees, shrubs, ecological design. A JV/consortium will add more knowledge, expertise, skill in the entire process. Besides domain knowledge, the experience of handling multiple problems will also be passed down as a value addition, such as equipment management, fountain management, etc. It will also give opportunity to start up firms to bring fresh ideas on the table by forging an alliance.</p> <p>Hence we humbly request the agency to consider JV participation in the EOI process</p>	<p>RFP Clause Prevails (No Consortium or Joint Venture is allowed to participate in the Empanelment Process)</p>
