1. Project Background

The State of Jharkhand is gifted with immense bio-diversity, moderate climate, and rich cultural and historical heritage, and numerous famous religious places of worship and ethnic aspects, to make the State the ultimate destination for tourists.

In the growing environment, the State of Jharkhand has been constantly investing in developing tourism infrastructure to facilitate, promote and attract more and more tourists and tourism related developments to set up the state on top 5 visited destinations in India. In the past few years, Jharkhand has emerged, with a high exponential rise as one of the most visited tourist destinations in India.

Presently, the state of Jharkhand stands on rank 9th in domestic arrivals and ranks 16th in the number of international tourist visitors.

The Jharkhand Tourism Development Corporation Limited (the “**Authority**” or “**JTDC**”) is the nodal agency under the Department of Tourism, Government of Jharkhand with a mandate to develop tourism infrastructure in the state of Jharkhand. JTDC is operating various hotels and tourist complexes in the State of Jharkhand for providing accommodation to the tourists.

As part of this endeavour, the Authority with a view to enhance the hospitality infrastructure, tourists’ experience and attract more footfalls into the region intends to entrust the management of Way Side Amenities, Bagodar (the “**Project Site**”) to competent entity who would undertake the renovation, operation and maintenance of the Project Site on Public Private Partnership (PPP) (“**PPP**”) under Renovate, Operate, Maintain and Transfer (ROMT) basis. The project is expected to attract investments and act as catalyst for socio-economic development and improve tourism in the region. **The Estimated Investment for the project is Rs. 30,00,000/- (Rs. Thirty Lakh only)**

2. Project Site

2.1. Location Analysis

Way Side Amenities, Hamsada is located on NH-18 highway. Nearest Bus Station is Mango Bus Station, Jamshedpur.

Figure 1: Property location

Figure 2: Way Side Amenities, Hamsada

The property is surrounded by major tourist attractions and social connects. Due to this, there is a footfall of tourists around the property in peak seasons. However, the property is still in non-operational mode and requires basic investments viz. television sets; surveillance cameras, provision of air conditioners, restaurant setup, purchase of beds and cots, manpower mobilisation (Cook, staffs etc.,) and other minor upgradation of infra works.

Note: The information provided in PIM is indicative, and prospective applicants are required to undertake due diligence regarding the subject property on their own.
